

# Doing Business in Bulgaria

A member of  
**mgi worldwide**

Since joining the European Union in 2007, Bulgaria has experienced sustainable economic growth, with some of the lowest tax rates in EU: 10% flat corporate and personal tax rate and 5% tax on dividends. The mix of a multilingual talent pool and competitive operational costs makes Bulgaria a top outsourcing destination in Europe.

## We are MGI Delta

Headquartered in Sofia, Bulgaria, MGI Delta is strategically positioned to support fellow members and their clients in Bulgaria and the Balkans.

MGI Delta is a multi-disciplinary firm specialising in the provision of assurance, accounts, taxation, business advisory and support services to a wide range of businesses and individuals.

“

*Our membership of MGI Worldwide helps to take MGI Delta to the next level, facilitating cross-border partnerships and enabling us to provide audits and consolidated statements for international companies through cooperation with MGI member audit firms.”*

– Vladimir Kolmakov  
Managing Partner  
MGI Delta

## How we can help

We are highly educated, well-trained auditors, accountants, and tax specialists. Our work is based on the latest technologies and software most suited to provide the best services and solutions to our clients. We also strive to protect the environment by using less paper and more computer technology.

### Audit and assurance

Our audit and assurance services are designed to enhance the reliability of information prepared by clients for use by investors, creditors and other stakeholders, including statutory requirements. In delivering these services we adhere to the highest standards of independence, professional objectivity and technical excellence.

### Taxation

At MGI Delta we offer a full range of taxation services. Our proactive approach addresses the needs and objectives of each client, enabling them to balance tax planning and compliance. We ensure that taxation obligations are fulfilled in an efficient and timely manner and that clients pay the minimum amount of tax by law.

We provide a complete service of assistance and advice in each of these areas:

- Preparing personal and corporate income tax returns
- Advice on tax liabilities and payments
- Cross border taxation

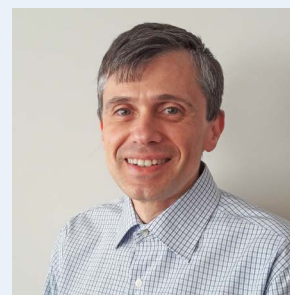

### Accounting and payroll

Modern business demands up-to-date, accurate financial information. We relieve our clients of the burden of all their bookkeeping and accounting requirements, including the preparation of their annual accounts and periodic management accounts for tax, business appraisal, planning purposes, and more.

### Mergers and acquisitions

We provide high quality, comprehensive, and strategically focused tax, accounting and advisory services to buyers or sellers in business transactions. The financial due diligence service that MGI Delta provides is focused on helping clients obtain optimal value from their transaction, ensuring they achieve their strategic objectives.
