

Doing business in India

Doing business in India offers enormous opportunities for foreign companies. However, India is a large and complex market. It should not be seen as one market, but a series of interconnected regional markets where the legislative and investment climate may change from one state to another. MGI Vannucci & Associati help many clients in a wide variety of business sectors to set up and grow their businesses within Lucca, Italy, across Europe, in India, Asia, and throughout the world.

We provide specialist accountancy services across Europe, in India, Asia and worldwide

For any business with an existing international operation or considering expanding into a new market outside of Lucca, Italy, across Europe, in India, Asia and throughout the world including India, an understanding of the local economy and culture is essential. With our combination of audit, tax, accounting and consulting services together with our national, regional and international reach, we can offer the fully comprehensive solution that you need when entering new international markets.
